

Richard Davis
South Cotswold Ramblers

19th October 2017

Dear Richard,

On behalf of the Steering Group of Dursley Welcomes Walkers I would like to thank you and South Cotswold Ramblers again for the help and support given during this year's Dursley Walking Festival.

The 2017 Walking Festival was our 6th festival and feedback from walkers is showing that not only was this our biggest walking festival yet but also possibly our most successful.

The contribution towards the cost of the programme was very much appreciated and contributions like this enable us to produce an attractive festival programme which is appreciated by the locals and visitors who attended the festival.

The scenery and hills around Cam and Dursley enable us to offer a large variety of walks and the support of people like you enable us to offer a varied festival for the walkers taking part.

In the near future we will start out planning of our 2018 Walking Festival, the dates have been arranged as Thursday 4th October through to Sunday 7th October.

Yours sincerely

Chris Cherry
