PACE Most of our walks are of **Moderate** pace, averaging 2 mph with stops. Monday walks are labelled **Leisurely** and are about 1.5 mph; a 10:30 start on a 4 mile walk means finishing between 12:45 and 1pm approximately.

NON MEMBERS - You are very welcome to walk with the Group a few times. Just turn up on the day. Ring the leader first if you have any questions. Once a member you can walk with any Ramblers' group in Britain at any time.

WHAT TO BRING Bananas are popular as a snack, and bring plenty of water. On day walks you are advised to bring food, even if planning a pub lunch, in case the pub is closed. Wear strong footwear. Bring waterproofs and/or warmer clothing and a simple first aid kit. Remove muddy boots in pubs/churches.

IMPORTANT - KEEPING TOGETHER ON A WALK Most parties will have a back marker appointed for the walk. Please inform this person if you need to drop behind for a comfort stop, and tell them when you catch up again. All members of larger parties are asked to help by keeping a look out behind them. If the people behind you are in danger of losing touch, perhaps in a wood, please pause and tell the people in front of you to wait a minute as well. One way is to give a long blast on your whistle if someone has lost touch. Thank you.

ADVERSE CONDITIONS Leaders may decide to cancel or shorten the walk, taking into account everyone's health and safety. Please contact them if in any doubt before travelling or see **TICKETAPE** or **CURRENT MESSAGES** at www.southcotswoldramblers.org.uk
