

GUIDE TO FINDING OUR WALKS ON OUR WEBSITE

1. Go onto www.southcotswoldramblers.org.uk
2. Beneath the main picture on the Home page, you can see the next few walks. Click on any of these to get more details of that walk.
3. If you want to see further ahead, you can click on **Click here to see all our planned walks** below this. This will take you directly to our page on www.ramblers.org.uk where you will find all South Cotswold Ramblers walks on the Group Walks tab.
4. You DO NOT need to enter postcode or keywords or anything in the Grey box at the top if you only want South Cotswold Ramblers walks.
5. You will then have a list of all the South Cots Ramblers walks coming up.
6. If you are on a laptop or computer you can also select the walks you are interested in as there is an option to select Day of Week, Distance etc. For example, if you only do Monday walks, you can tick the Monday box in the Day of Week. If you like a specific length of walk, you can select that in the Distance box. If you want to look at walks run by other Gloucestershire Ramblers group, you get this option on the Walks Run by menu. If you only want walks closer to your home, at the top you can set this by entering your postcode and how far to travel. (However this will include walks run by other nearby groups, not just S.Cots.)
7. Having done that, you get the option to print a table. This will give you a summary. You can click on the blue title of any walk on the summary to get more details.
8. If you are looking on a phone or tablet, you need to click on Show Filters to get the options in point 6.

Another option is to download the Ramblers app. A step-by-step guide on how to do this is below.
